Prelude

Welcome

The Life and Work of the Church

Call to Worship (see 'Second Sunday of Advent: Peace' insert)

Leader: The Baptist cries out: "Prepare the way of the Lord, make his paths straight!"

**People: Help us, Lord, to repent.**

Leader: The way of God is made crooked by our sin. Will we confess our failings and repent? Will we remember God's steadfast love and faithfulness?

**People: Restore us again and grant us your salvation.**

Leader: As we have been baptized with God's mercy and grace, will we have the courage to forgive one another?

**People: We pray that your light, O Lord, will guide our feet into the way of peace.**

(Light the candle of peace.)

Written by The Rev. Jeffrey Murray

Produced by Presbyterian World Service & Development

Our traditional **Calvin Days** financial drive is currently underway to let us bolster Calvin's financial resilience, and to ensure our capability to deliver on our church's vision and mission is not diminished. Our goal this year is to raise \$17,500, which we hope to

use to eliminate our accumulated debt. This is a small increase over what we successfully raised last year, and would finally free us from the lingering burden of the debt gathered over the past several years. If you are able, please consider contributing a little extra during our Calvin Days drive to keep Calvin the stable home that we all rely on. Every little bit helps!

### **Mission Moment - World AIDS Day**

Dr. Eddy Jonas, head of women's health at Zanmi Lasantein Haiti, is standing up for victims of gender-based violence. While Haiti's justice system is unable to respond adequately to widespread occurrences of violence against women, Dr. Jonas remains committed to providing the medical care, psychosocial support and community accompaniment victims need to recover. Dr. Jonas is thankful for the support from Presbyterian World Service & Development that is helping address this critical human rights issue and giving victims hope again. "If we can't receive victims and give them proper treatment, then we are a part of the system of violence," says Dr. Jonas. "There is a level of responsibility." His hope for the program is to provide a shelter for women after they receive treatment. *PWS&D protects the rights of vulnerable women*

**Stewardship Moment** - Let the peace of Christ rule in your hearts, since as members of one body you were called to peace. And be thankful. - *Colossians 3:15*
