Greetings again Calvin,

With Christmas almost upon us, we would like to offer this final written update on our annual **Calvin Days** funding drive. After last week's collection, our total for the 2018 initiative stands at \$15,832, representing 90% of our goal, and leaving us just \$1,668 short of our mark. Even if we stop our efforts today, this total is a remarkable achievement; and it's an effort I want to thank the entire congregation for. Our additional, Calvin Day contributions to the treasury, have traditionally allowed us to achieve more and remaining financially intact, despite the unexpected surprises that often have overtaken us in previous years.

If there is anyone who still wishes to contribute to this year's success, our Treasurer tells me that we can still process donations for 2018 up to the 31<sup>st</sup> of December. Should the spirit of giving overtake you in this holy season, we will be thrilled to see how much closer to the goal your generosity can get us!

**The Presbyterian Connection** is a Canadian Christian newspaper that strives to unite Presbyterians from across the country through stories, reflections, interviews and articles, allowing us to share and develop our faith. ### **Mission Moment: Yemen Crisis Response**

Yemen is the worst humanitarian crisis the world currently faces. Conflict has resulted in widespread hunger, with more than eight million people facing famine. Ongoing bombing campaigns and disease outbreaks are devastating the lives of millions as the war continues into its fourth year. Yemen's cholera outbreak is the worst in the world—those facing extreme hunger are even more susceptible to the disease. The World Health Organization reports that roughly 10,000 suspected cases are being reported every week. Access to clean water and sanitation services are essential. **PWS&D will be responding in Yemen with emergency food assistance and water and sanitation programs.** Canadian Foodgrains Bank members are responding to provide over 1,000 vulnerable families with emergency food rations. PWS&D is also monitoring developments through the ACT Alliance and hope to support their Yemen response in the coming months. With conflict ongoing, families and communities are lacking the basic essentials for life—food, clean water, health services and so much more. We need your help to save lives. Please donate today. You can make a donation through your church envelope (marked as "Yemen"), by mailing a cheque to PWS&D, donating online or calling 1-800-619-7301 x291.
