Mission Moment: A history of Canadian mission in Taiwan

History matters! Gifts to Presbyterians Sharing support Louise Gamble as she works with our partner church, the Presbyterian Church in Taiwan, to transcribe and translate reports and correspondence of the Canadian North Formosa Mission. These documents are records of the development of the Christian Church in North Formosa, from the point of view of its missionaries. It includes over 7,000 documents from 1868 to 1923. Louise works in partnership with her talented and dedicated Taiwanese colleague, James Chen. They are working on the third and final series (1915–1923), which documents events during WWI as well as issues such as Canadian church union and the growing theological tensions in North America. When finished, this series will likely be over 1500 pages!
