Mission Moment - Enjoying school and pursuing dreams

Zindaba’s story is not uncommon in many Malawian communities—children want to go to school but their families can’t afford the fees. Zindaba feels very fortunate that her aunt paid for her first two years at school, a time the girl recalls with great joy. “The teachers were good and encouraged us a lot,” she shares. Unfortunately, the expense became too great a struggle for her aunt. When Zindaba had to drop out, she never imagined she’d make it to university, but education support from PWS&D helped Zindaba pay her school fees and gave her support to pursue her dreams. Today, proudly displaying her university class scores, a smiling Zindaba talks about training to be an accountant.

PWS&D promotes the right to education for all
