## **FINANCIAL REPORT**

We are now into October and the last quarter of the year. It is time to provide an update on our finances.

We are pleased to report that we are in relatively good shape. Revenues are about \$7,000 below budget. But, this is balanced by the fact that expenses are about \$7,000 under budget. So, we are close to where we want to be.

Now that we have entered the last quarter, we have launched Calvin Days. Calvin Days represents our year-end push to meet our financial obligations. It represents an opportunity to go the "extra mile" and help ensure that we meet our financial targets for 2017. This year we have budgeted \$17,500 for Calvin Days – a large amount, but only \$500 more than we took in during 2016. So, this number is very achievable.

We are seeking your support to meet our target for Calvin Days in 2017. If we meet our target, we will be able to reduce our debt by \$9,000. Debt elimination represents an important step on our path into the future. As always, thanks for your support!

*Presbyterians Sharing* supports the Rev. Dr. Paul McLean, a Bible translation consultant working in partnership with The Presbyterian Church in Taiwan and The Bible Society in Taiwan. In a recent blog post, Paul writes: "Maelaanenge ki Twaumase!" (Thanks be to God!) These words were repeated during the joyful 3-hour thanksgiving service for the publication of the Ngudradrekai Bible on July 11, 2017 at Kucapungane Presbyterian Church in the mountain foothills of southern Taiwan. Nearly 30 years after The Gospel first took root in Old Kucapungane village, Ngudradrekai people now have the complete Bible printed in their own mother language." The Rev Peter Bush, Moderator of the 2017 General Assembly, attended the celebration. He shares, "To read the Bible in one's mother language is to be affirmed culturally as a people having value and it is to be called to discipleship following Jesus Christ." *Presbyterians Sharing equips people to read the Bible in their own language.*
